1. INTRODUCTION

In May 2014, Mr. Pawan Chamling was sworn in as Sikkim's Chief Minister for a record fifth time. But it was barely seven months after first taking charge in December 1994 that the Chief Minister opened the doors for youth empowerment. He created a new department-Department of Sports and Youth Affairs in July 1995 to cater the needs and aspirations of the growing youth population in the state. This Department has been one of Mr. Chamling's biggest achievements.

Sports and physical education play a crucial role in all-round development, especially of children and young adults. By creating a separate department, the Chief Minister put the focus on youth and sports. Many sportsperson over the years have brought laurels to the state as well as to the country. They include Arjuna Awardee Late Sonam Gyatso Mountaineer, Padmashri and Arjuna Awardee Mr. Bhaichung Bhutia Footballer, Arjuna Awardees Mr. Jasral Pradhan Boxer and Mr. Tarundeep Rai an Archer.

Over the past 20 years, the Sports and Youth Affairs Department, under the good governance policy of the state, has led massive development of sports infrastructure in Sikkim. This is no mean achievement in a state that has mountainous terrain and inclement weather.

In Gangtok, Paljor Stadium, formerly a polo ground, was upgraded into an ultramodern stadium in 2005 and is today one of the best football grounds in India. The department has also developed infrastructure in the districts to provide universal access to sports in rural areas. It has constructed a playground at Mangan in the north district; a playground at Soreng in west Sikkim; upgraded the playground at Geyzing, also in west Sikkim; built a Sports Complex at Khel Gaon, Reshithang and multi-purpose indoor stadiums in all four districts; and developed an archery complex in Gangtok. Also, an international level football stadium is being built at Namchi, and named after Bhaichung Bhutia, Sikkim's football export to the world and former captain of the Indian football team.

The department has also promoted various schemes and programmes, such as hosting national and regional sports competitions and Youth Festivals, introduction of cash incentives for outstanding sportspersons and sports competitions, and government sponsorship for training of athletes. These schemes and programmes have provided opportunities to the youth to play and have encouraged them to take up sports as profession.

On 15 August 2012, India's Independence Day, the Chief Minister announced cash incentives of Rs.2 crore, Rs 1 crore and Rs 50 Lakhs for any sportsperson from Sikkim who wins a gold, silver or bronze medal at the Olympics. There are cash incentives for those who bring home medals from the Asian Games, Commonwealth Games and other National Level Competitions including the North Eastern Games. The state government has also decided to honour such sportspersons with an announcement in the official state gazette.

The department has been able to reach the remotest corners of Sikkim by developing several initiatives such as football tournament in Chakung in West Sikkim and paragliding in hilly locations. This has not only encouraged the youth to take up new sports but has also added to the state's sports tourism business. Under the Chief Minister's capacity building programme, the department has sent hundreds of youth to Himachal Pradesh and Nepal for training as paragliding pilots. Identifying and nurturing sports talent from the grassroots have always been a top priority for the government. The department has succeeded in this regard with two important schemes. **"Search for more Bhaichung"** is a scheme started in 2004-05 and many footballers who have come out from the coaching under this scheme have today joined national sport clubs to

participate the I- League Football Tournament while some others play in the Indian Super League. The Late L.D.Kazi Memorial Gold Cup State Level Inter School Football Tournament introduced in 2014 is along the lines of the “Search for more Bhaichung” scheme. Every year, students from all the 68th Senior Secondary Schools of Sikkim compete and the best team gets to play for the prestigious Subroto Mukherjee Cup in New Delhi.

Khelo India has been prepared by amalgamating the erstwhile Rajiv Gandhi Khel Abhiyan, Urban Sports Infrastructure Scheme and National Sports Talent Search System Programme as a Central Sector Scheme for implementation from the financial year 2016-17. It has three components: Annual Competitions, Talent Identification and Development of Sports Infrastructure. State Government has set up District and State Level Committees to implement the Scheme

The Department of Sports and Youth Affairs, Government of Sikkim has sent total 20 members contingent to participate in Athletes, Archery, Boxing, Weightlifting and Swimming in 1st Khelo India School Games held at New Delhi from 31st to 8th Feb. 2018.

The department may be small in size but its role in locating and nurturing sports talent through various schemes and programmes or in developing sports infrastructure of international standards is unmatched. These achievements have been possible due to the positive optimism with which the Chief Minister leads from the front. Most recently, the Chief Minister envisioned the constitution of a separate board, called the Sikkim Youth Development Board. It was established on 1 August 2014 with Mr. Khem Prasad Dahal as Hon’ble Chairman. Just one more step toward ensuring proper development of the future generation and to energize the youth development process.

2. STATE SPORTS POLICY

Sikkimese is sports loving people. The Government of Sikkim lays great emphasis on the development of youth in acknowledgement of its belief that its future lies in the building up of a young generation of Sikkimese – fit and disciplined.

The sports policy of the state embraces these values and its programs will be aimed at promoting all such activities that will achieves the goal of developing a sports system and a sports network, which will achieve the goal of developing a sports system and a sports network, which will engage the general public in participation in sports, and the talented, in the pursuit of excellence.

The Policy:

The broad headings under which sports will be promoted are as under:

- 1) Board basing of sports
- 2) Creation of Physical Infrastructure
- 3) Creation of Technical Infrastructure
- 4) Promotion of Excellence
- 5) Creating an Equipment support for training and practice
- 6) Providing scientific back up for sportspersons.

ii) PROGRAMME STRUCTURE OF NSS

NSS volunteer is required to undertake the following work/ activities. NSS Regular Activity
Special Camping Programme.

iii) REGULAR ACTIVITIES

Each NSS volunteer is required to put in minimum 120 hours of service per year for two years, i.e., total 240 hours. This work is undertaken in villages/ slums adopted by NSS unit or in school/ college campuses, usually after study hours or during weekends/ vacations.

iv) SPECIAL CAMPING PROGRAMME

Each NSS unit organizes a Special Camp of 7 days' duration in adopted villages/ urban slums during vacations, with some specific projects, by involving the local communities. Each volunteer is required to participate in the Special Camp once during the 2 year period. Thus, about 50% of the NSS volunteer in Unit participates in a particular Special Camp.

v) OTHER ACTIVITIES TAKEN UP UNDER NSS

The activities under NSS continue to evolve in responses to the needs of the community. The activities could be in the field of Education and Literacy, health, Family Welfare and Nutrition, Sanitation and Cleanliness, Environment Conservation, Social Service Programmes, Programmes for improving status of Women, Production-oriented Programmes. Disaster Relief and Rehabilitation Campaigning against Social Evils, creating awareness about Flagship Programmes of the Government like Digital India, Skill India, and promotion of Yoga etc.

vi) FINANCIAL PATTERN FOR NSS ACTIVITIES

Fund is provided for running of core NSS activities @Rs.250 per volunteer per annum for regular NSS activities and For special camping activities @Rs.450 per volunteer (once in two years). NSS was implemented as a Centrally Sponsored Scheme up to 2015-16 and the expenditure was shared between Centre and State in the prescribed ratio 75:25. From 2016-17, the Scheme is being implemented as a Central Sector Scheme, fully funded by Government of India.

vii) INCLUSION OF ORGANIC MISSION

Sikkim is popularly known as the first organic state of India. It is proposed to introduce Organic farming as one of the regular activities of the NSS with the support from the Departments of Agriculture and Horticulture at various institutions to give practical and theoretical knowledge on the process of organic farming and stir interest among the new generations to up keep the mission of the State Government. Organic farming will not only serve as a tool to eradicate chemicals in our human food cycle but it will also provide a great deal of support where the question of livelihood is concerned. It is very important that one of the last remaining States in India that still practice organic farming must have to preserve this method in order to prevent its extinction through NSS volunteers.

viii) RUN FOR FITNESS (1KM RUN)

The volunteers of the NSS have been imparting various awareness programs for community development, leadership training and many more. Obesity is now slowly on the rise in India, and the process of awareness camp, rallies where the students carry their banners, addressing certain issues only prove futile if the students themselves do not "PRACTICE WHAT THEY PREACH". The kilometer run serves not only the purpose of maintaining the physical fitness of the students, it has certain significance to it. It teaches them to pace themselves rather than run

different stretches of the race at different speed and teaches value of commitment and determination to become better human beings. Therefore, 1 km run has been included in the Regular Activities.

C. CONSTITUTION OF SIKKIM YOUTH DEVELOPMENT BOARD:

Keen to ensure the proper development of youth to enable them to shoulder responsibilities in the future, the government has started various youth-oriented programmes. These programmes facilitate the youth and ensure their participation in the development of society and the state. The Government of Sikkim constituted the Sikkim Youth Development Board (SYDB) on 1 August to add vigor to the youth development process. Shri Khem Prasad Dahal is appointed as Hon'ble Chairman of the Board.

The Board will function to harness the talents of the youth and provide opportunities to build their leadership and professional skills, and their capacities to contribute to the socio-economic development of the state. For this, the board has identified some major areas such as unemployment, occupations based on aptitude, substance abuse, materialism, education disparity, poverty, erosion of national pride/identified, backwardness (social backwardness, educational backwardness, economic backwardness), and lack of sense of responsibility, accountability and ownership.

In its first meeting, held on 27 November 2014, the board decided: (1) Convergence of livelihood skill development schemes being carried out by various government departments and agencies, with the Sikkim Youth Development Board acting as nodal agency providing overall guidance; (2) Activities as envisaged by the board to be taken up within a budget of Rs 1 crore; (3) Policy issues will be the remit of the board, while actual implementation shall be carried out by the concerned government agencies; and (4) Programmes for school dropouts, such as value addition for local food products, pickle making, bamboo crafts, broom binding, vermin composting, decorative candle making, etc, to be conducted with the help of local experts.

In its second meeting, following key points were discussed: (1) Formation of State Youth Policy for the state government's mission "**Sikkim Youth 2020**" to help empower the youth, (2) discussion on establishment of State Institute for Research, Training and Development; (3) Compulsory implementation of NCC/NSS in Secondary and Senior Secondary Schools; (4) starting Chief Minister's Youth Award; (5) organizing state youth festival once a year in order to participate in National Youth Festival and North East Youth Festival; and (6) to introduce karate, taekwondo and martial arts in schools.

In the course of two years, the Sikkim Youth Board in collaboration with Nehru Yuva Kendra Sangathan, Sikkim Zone Gangtok has also undertaken various activities such as providing trainings, holding youth-centric conventions and sending youth to participate in National Youth Festival and North East Youth Festival. To further give clear guidance to youth and prepare a road map of Youth Development programme Department of Sports & Youth Affairs is preparing STATE YOUTH POLICY OF SIKKIM.

9. DEVELOPMENT OF SPORTS INFRASTRUCTURES:

To boost sporting activities in the state, a number of sports infrastructure have been created both at the state and district levels. Two of the best sports infrastructures of international standards created by this government are Paljor Stadium in Gangtok and the Sports Complex with Athletics Stadium at Khel Gaon, Resithang. There are currently six major sports infrastructure being developed, with a majority of them being stadiums and playgrounds. The objective of the state government is to develop infrastructure in all four districts so as to provide universal access to sports in rural areas and to promote sports among both boys and girls.

The construction of Bhaichung Stadium at Namchi and upgradation of Kyongsa ground in Geyzing to international standards with track and field facilities are two main projects. These projects have been sanctioned of Rs.35.68 crore and Rs.27.98 crore respectively, under Special Plan Assistance.

Under the Panchayat Yuva Krida aur Khel Abhiyan (PYKKA) scheme of the central government, the Sikkim government has constructed and improved 261 playgrounds-166 in Gram Panchayat Units and 95 in Zilla Panchayat Units-between 2008-09 and 2012-13. Among these, 239 were upgraded while 22 are new. The development of these requisite infrastructures of various

sporting activities has led to the growth of many sportspersons of national and international repute.

A. MAJOR PROJECTS COMPLETED

(i) STATE OF THE ART PALJOR STADIUM

Originally a polo ground, Paljor Stadium is today one of India's most beautiful stadiums with an international size turfed football field, electronic scoreboard, hostel accommodation, VIP lounge, physiotherapy centre, in-built public address system and most interestingly, an indoor hall for basketball. It fulfills a long cherished desire of the people of Sikkim for a modern stadium.

This state-of-the art stadium was inaugurated by former President Dr. A.P.J. Abdul Kalam on 22 September 2005 in presence of Chief Minister Pawan Chamling. With the Chief Minister's vision and guidance, the sporting ground has undergone major renovation at an estimated cost of Rs.30.70 crore. It has a seating capacity of 25,000 spectators and many major events have been hosted here. The ground is open for all footballers and other sportspersons for regular practice and coaching camps-all they need to show is their identity card to enter and use the facilities.

To add value to the stadium, and keeping up with the current worldwide trend of floodlight matches, the department installed floodlights, including a diesel generator set and electronic digital score board, so that night football matches and tournaments can be held. With Astroturf spread across a handsome 93,000+ sq. feet, Paljor Stadium is perhaps the largest Astroturf in the SAARC region. The 65mm thick turf is filled with compressed rubber silica making it suitable for Gangtok weather and has received positive endorsement from players of repute, including Bhaichung Bhutia. The Astroturf was acquired at a cost of Rs.3.77 crore from reputed manufacturer Field Turf Tarkett based in the United States. It was laid by Great Sports Infrastructure, Hyderabad and was inaugurated by the Hon'ble Chief Minister on 28 May 2011.

(ii) SPORTS COMPLEX AT KHEL GAON, RESITHANG

The prestigious athletics stadium at Khel Gaon is one of the Chief Minister's dream projects. Construction began after acquiring 10.5 acres of land at Resithang, which is around 10 kilometers from Gangtok town. The Chief Minister laid the foundation stone of the project on 22 April 2008. The Ministry of Urban Development, Government of India, sanctioned an amount of Rs.2495.19 lakhs for construction, with National Building Construction Corporation (NBCC) as the executing agency in the year 2012. The tracks in this international size athletics sports ground are made of material imported from Holland.

The sports complex at Khel Gaon, Which was under the Department of Sports & Youth Affairs, was handed over to the police department in 2016.

(iii) NAMCHI INDOOR STADIUM

Constructed at a total expenditure of Rs.3.6 crore, Namchi Indoor Stadium/ Multipurpose Community Hall Centre was inaugurated on 8 September 2005. It has both playing and practicing facilities for basketball, volleyball, badminton, table tennis, combat sports, and fitness centre with multi-gym facilities.

(iv) 261 PLAYGROUNDS DEVELOPED UNDER PANCHAYAT YUVA KRIDA AUR KHEL ABHIYAN (PYKKA):

Total 261 Play grounds was developed in all Zilla Panchayat Unit (ZPU) @ Rs.5 Lakhs and Gram Panchayat Unit (GPU) @Rs.1 lakhs under One Time Seed Capital Grant of PYKKA scheme from 2008-09 to 2011-12 as under:

District	ZPU	GPU	Total play grounds
East	25	44	69
West	25	54	79
North	22	23	45
South	23	45	68
Total	95	166	261

v) MAJOR ONGOING PROJECTS:

INFRASTRUCTURE DEVELOPMENT

The objective of the State Government is to develop the infrastructure in all the Districts and to provide universal access to sports in rural areas and promote sports among both boys and girls.

- Construction of Bhaichung Stadium(SPA) 3.03.2012 - 70% Physical Progress

- (b) ELECTRONIC SCORE BOARD Physical Progress - 100% completed
- Rangpo public ground - 90% physical progress

10. "SEARCH FOR MORE BHAICHUNGS" SCHEME:

As a logical step to broad basing sports at the school and the club level, the State Government had on April 2, 1999 launched a scheme named after the former Indian football

captain and Sikkim's export to the world-Search for more Bhaichungs- for boys under 14. This is a scheme envisioned by the Chief Minister to spot upcoming football talents and nurture them.

SPORTS ACADEMIES: The same year, the Government also set up a Sports Hostel in Namchi, South Sikkim to translate the Chief Minister's dreams of spotting more football talents in the state into reality. Each year trainees get added to the hostel through talent hunt conducted by the department. Boys selected from all over the state are given free food, lodging, sports kits and constant coaching at the sports hostel besides free education. However, boys who fail to perform get weeded out of the facility. The trainees at Sports Hostel, Namchi undergo four years of training, after which a promising team is sent to participate in junior national football tournament.

Presently, we have 2(two) Boys Sports Academy, one is at Gangtok and other one is at Namchi where 30(thirty) each inmates are in this academy. The trainees, who graduate from the Sports Hostel, Namchi also get automatically admitted to Gangtok Sports Academy, also formed under the "Search for More Bhaichungs" scheme in 2006, for further training and higher education. Presently there are 30 boys undergoing training at Sports Hostel, Namchi, and another group of 30 boys at Gangtok Sports Academy.

Impact: Since its inception, "Search for More Bhaichungs" scheme has yielded 130 players from Gangtok Sports Academy, out of which 28 boys have been inducted with renowned clubs playing in Indian Super League and also with other football clubs in India. A total of 13 players have been employed with Sikkim Police, Indian Reserve Battalion, and Indo-Tibetan Border Police on sports quota. Six boys have been recruited by the Indian Army and Indian Navy.

Sanju Pradhan and Nirmal Chettri, among the first batch of the 30 shortlisted players who had graduated to Gangtok Sports Academy in 2006 got picked up by Air India coach when both players displayed sterling performance during the Governor's Gold Cup at Paljor Stadium in 2010.

Among those picked up by clubs playing in Indian Super League are: Sanju Pradhan North East United Football Club, Nirmal Chettri for North East United Football Club, Bikash Jairu for Jamshedpur FC and Robin Gurung for Jamshedpur FC. Kunzang Lachungpa (goalkeeper) was selected by Lajong Fc, Shillong and included in the team of North East for Indian Super League twice. Now he is earning above Rs 20 lakhs per session. Phurba Lachenpa was also picked by Lajong FC for his performance in goal keeping while Nim Dorjee Tamang has been selected by Lajong FC. Among them shree Komal Thatal had represented the U-17 FIFA World Cup and presently playing ISL from Athletico Kolkata for the session 2017-18.
