1. Introduction

National Service Scheme (NSS) was introduced in 1969 under the Ministry of Youth Affairs and Sports Government of India with the primary objective of developing the personality and character of the student youth through voluntary community service. NSS was launched in Sikkim in the year 1996 under Department of Sports & Youth Affairs, Government of Sikkim and now it covers 3 Universities involving about 700 volunteers, 19 Colleges & technical colleges with 3100 volunteers, 75 Government/private Sr. Sec. Schools with 11,900 volunteers enrolled as on 31.03.2017.

2. Programme Structure of NSS:

NSS is being implemented in Senior Secondary Schools, Colleges and Universities. Each educational institution covered under the Scheme has at least one NSS unit comprising of 100 student volunteers led by teacher designated as Programme Officer (PO). Each NSS unit adopts a village or slum for taking up its activities. An NSS volunteer is required to undertake the following work/ activities:

- i. **Regular NSS Activity** Each NSS volunteer is required to put in minimum 120 hours of service per year for two years, i.e., total 240 hours. This work is undertaken in village/slums adopted by NSS unit or in school/college campuses, usually after study hours or during weekends/ vacations.

- ii. **Special Camping Programme:** Each NSS unit organises a Special Camp of 7 days' duration in adopted villages/urban slums during vacations, with some specific projects, by involving the local communities. Each volunteer is required to participate in the Special Camp once during the 2-year period. Thus, about 50% of the NSS volunteers in Unit participate in a particular Special Camp.

iii. Other activities taken up under NSS: The activities under NSS continue to evolve in responses to the needs of the community. The activities could be in the field of Education and Literacy, health, Family Welfare and Nutrition, Sanitation and Cleanliness, Environment Conservation, Social Service Programmes, Programmes for improving status of Women, Production-oriented Programmes, Disaster Relief and Rehabilitation, Campaigning against Social Evils, creating awareness about Flagship Programmes of the Government like Digital India, Skill India, promotion of Yoga etc. The list, however, is illustrative. NSS units can take up any activity that has relevant to the community

- iv. Participation of NSS volunteers outside state:** In addition to the Core activities, various other activities are taken up under NSS. These are: Participation in Republic Day Parade Camp, Participation in Adventure Activities, Organisation of National Integration Camps and North East Youth Festivals, Organisation of 'Suvichar' and 'Youth Convention' events during the National Youth Festival, Self-Defense Training for NSS Volunteers, Indira Gandhi NSS Awards, etc. The volunteers are provided equal opportunity in the selection process for these programmes.

- v. Financial Pattern for NSS activities:** Fund is provided for running of core NSS activities @Rs.250 per volunteer per annum for regular NSS activities and @Rs.450 per volunteer (once in two years) for special camping activities. NSS was implemented as a Centrally Sponsored Scheme upto 2015-16 and the expenditure was shared between Centre and State in the prescribed ratio. However, from 2016-17, the Scheme is being implemented as a Central Sector Scheme, fully funded by Government of India. The funds are now being placed with State NSS cells.
- vi. Training/Capacity Building:** Currently, 7 day Training is being imparted to the Programme Officers under NSS to enable them to discharge their duties effectively. The training is imparted through Empanelled Training Institutions (ETIs) located at Ramakrishna Mission Ashram, Narendrapur, Kolkata.

10. Inclusion of Organic Mission and Run for fitness:

- i. **Organic Mission:** Sikkim is popularly known as India's 1st Organic State and took 13 years for setting an example to entire Nation. It is proposed to introduce Organic farming as one of the NSS Regular Activity with the support from Agricultural and Horticultural Department at various institutions to give practical and theoretical knowledge on Organic farming process and generate interest among the new generations to up keep the mission of Government. The institutions situated at village level having sufficient space for growing organic vegetable/cultivation will be encouraged. The urban institutions can adopt kitchen garden for vegetables at campus premises. The vegetables produced can be used for midday meal occasionally or can sell in the market to generate income for NSS units.
- ii. **Run for fitness: (1 km Run 2017):** An NSS volunteer has been imparting various awareness programs for community development, leadership training and many more. However, the health and fitness of the volunteers/children need to be improved through some physical activities. Therefore, the most simple and easy way to keep them fit is to conduct 1 kilo meter Run once in a week which will deliver the message among the young generation to lead a healthy life. The Run will target minimum 100 volunteers from each institution on every Saturday at 7.30 a.m. which will take hardly half an hour to complete the run. That will encourage more school children irrespective of class and age for the Run for fitness in a mission mode.
